

# Shawn Yoshida

sryoshida@ucla.edu

## EDUCATION AND TRAINING:

---

- 2026 – Now **University of California – Los Angeles**  
Postdoctoral Scholar; Advisor: Kalli Kappel  
Topic: High-throughput characterization of UTR sequence-mediated regulation of mRNA localization, function, and fate
- 2021 – 2026 **California Institute of Technology**  
PhD, Biochemistry and Molecular Biophysics; Advisor: Shasha Chong  
Thesis: Single-molecule characterization of the dynamics and regulation of endogenous transcription-factor hubs  
NSF Graduate Research Fellow
- 2017 – 2021 **Case Western Reserve University**  
BA, Physics; Advisor: Lydia Kisley  
Thesis: Super-resolution characterization of anomalous diffusion in nanoporous environments

## PUBLICATIONS: († denotes equal contribution)

#### SELECTED AWARDS AND HONORS:

|      |                                                      |
|------|------------------------------------------------------|
| 2023 | NSF Graduate Research Fellowship                     |
| 2021 | Jacobs Translational Medicine Fellowship             |
| 2021 | J. Evans Atwell-Welch Graduate Fellowship [Declined] |
| 2021 | CWRU James C. Wyant Award                            |
| 2020 | CWRU SOURCE/Bruce Rakay Summer Fellowship            |

---

#### SELECTED TALKS:

|      |                                                    |
|------|----------------------------------------------------|
| 2025 | UCLA Jonsson Comprehensive Cancer Center Symposium |
| 2025 | Biophysical Society 69th Annual Meeting            |
| 2021 | American Physical Society March Meeting 2021       |
| 2020 | Gulf Coast Undergraduate Research Symposium        |
| 2020 | American Physical Society Fall Meeting 2020        |
| 2020 | Gibbs 34th Conference on Biothermodynamics         |

---

#### OTHER:

**Ad Hoc reviewer:** Optics Express, Optics Letters, Journal of Physical Chemistry B

**Co-reviewed:** Molecular Cell, Nature Communications, Journal of Molecular Biology, BMC Biology, Life Science Alliance

**Memberships:** American Physical Society, Biophysical Society, Sigma Xi

**Languages:** English, Japanese
